ARTICLE 4 - LAYOFF PROCEDURES

Section 4.1 - Seniority Defined

Except as otherwise provided in Section 4.2 and as modified by this Section, seniority is defined as days of accrued service as computed and reported on the employee's paycheck within a coded classification with County. All time on Workers' Compensation, Military Leave and Maternity Leave (up to six months) shall be counted towards days of accrued service. Original coded unclassified service shall not be counted except that time served pursuant to Santa Clara County Charter 704(h).

Section 4.2 - Transfer of Prior Agency Service

If a function of another agency is transferred to the County, the seniority of employees who transfer with the function shall be computed based upon application of the definition of Section 4.1 to each employee's prior service with the other agency.

Section 4.3 - Changes to Classes

To the extent possible, employees should not lose their rights under this article because classes have been revised, established, abolished or retitled.

Section 4.4 - Order of Layoff

The department shall at least annually determine the number of positions in each classification that require a specific skill paid for through a differential. The plan must be approved by the Director of Personnel. In all cases the employees in the department certified in that skill shall be retained in order of seniority until the requisite number of positions are filled.

When one (1) or more employees performing in the same class in a County department/agency are to be laid off, the order of layoff in the affected department/agency shall be as follows:

- a) Provisional employees in inverse order of seniority.
- b) Probationary employees in inverse order of seniority.
- c) Permanent employees in inverse order of seniority.

Section 4.5 - Notice of Layoff

Employees subject to the provisions of this article shall be given at least twenty (20) working days written notice prior to the effective date of layoff. The procedures of Section 4.6 shall be applied prior to the effective date of the layoff.

Section 4.6 - Reassignment in Lieu of Layoff

- a) Vacant Code in County
In the event of notice of layoff, any employee so affected will be allowed to transfer to a vacant position in the same classification in any County department/agency, provided the employee meets the specialized qualifications which may be established through testing and examination or by selective certification.

- b) **Former Classification**
In the event there are no vacant codes in the same classification in any department/agency, an employee will be offered a vacant position in any classification at the same or lower level in which permanent status had formerly been held, first in the affected department/agency and then County-wide. The employee will not be allowed to transfer to a vacancy that requires skills, as defined in Section 4.8(b), not possessed by that employee.

- c) **Displacement**
In the event there are no vacancies as listed in (a) or (b), the employee shall have the right, upon request, to be returned to any classification in the department/agency at the same or lower level in which permanent status had formerly been held and the regular layoff procedure in that same or lower level shall apply.

Section 4.7 – Layoff

- a) In the event that an employee is not reassigned in lieu of layoff as in Section 4.6, or placed in another County position as in Section 4.7(b), the employee shall be laid off. If an employee elects not to exercise the rights in Section 4.6, or does not accept placement under Section 4.7(b), he/she may be deemed to have been offered and to have declined such work.

- b) If an employee has been issued a layoff notice pursuant to Section 4.5 and has no reassignment in lieu of layoff rights pursuant to Section 4.6, then that employee shall be considered for inplacement.

Inplacement is an offer of transfer (within specific wage bands) or demotion to an employee with a layoff notice into a vacant position, which the County intends to fill during the layoff notice period.

The following conditions apply to the inplacement process:

1. An employee must be qualified to transfer or demote. The Personnel Director shall determine qualifications.
 - a. Testing requirements would be the same as if the employee had been reclassified.
 - b. In determining qualifications and possible positions, transfers and demotions to both related and non-related classes may be considered.

2. Transfer will be deemed a "lateral transfer" if movement from one class to another does not exceed an upward salary change of five percent (5%), unless a higher amount is provided for in a unit appendix.

3. Normal transfer (ordinance code) rules apply (i.e.: the employee can be taken on a permanent or probationary basis at the discretion of the appointing authority). If an employee has underlying permanent status the probationary period following the transfer shall be considered a subsequent probation. Consistent with this status, the employee on a subsequent probation with underlying permanent status, has Personnel Board appeal rights.
4. The employee may express a preference for certain occupational fields, assignments or departments. However, the employee has no right to claim any position nor is the County required to offer placement.
5. A position shall not be considered "vacant" for in-placement purposes if the position has been identified as claimable under Section 4.6 by another employee who has been issued a layoff notice under Section 4.5 or by an employee on a re-employment list established pursuant to Section 4.8.
6. An employee who is placed under Section 4.7(b) or laid off under Section 4.7(a) shall have his/her name placed on all re-employment lists pursuant to Section 4.8 for the appropriate classification.
7. In determining placement offers, the Union and the County, on a case-by-case basis, may by mutual agreement include as part of the placement offer:
 - a. basic skill competency training and/or;
 - b. other methods (other than transfer or demotion) of filling vacant positions that do not violate Merit System principles or County Ordinance Code provisions.
8. All in-placement offers must be made and accepted or rejected prior to the effective date of the layoff notice. Time permitting, the Personnel Department may assist employees on there-employment list in addition to those employees with layoff notices. Such employees shall be entitled to all provisions of this Agreement.
9. If an employee is not placed by the effective date of the layoff notice, he/she shall be laid off under the provisions of the layoff notice.

Section 4.8 - Re-employment List

- a) The names of such probationary and permanent employees reassigned or laid off in accordance with Sections 4.6 or 4.7 of this article shall be entered upon a re-employment list in inverse order as specified under Section 4.4. The person standing highest on a re-employment list for a particular classification when a vacancy exists in that classification in any

department/agency shall be offered the appointment. Employees on re-employment lists shall retain the right to take promotional exams and/or receive promotional preference on exams.

- b) When required by the needs of the department and approved by the Director of Personnel, selective certification may be utilized to re-employ employees with particular skills.

Section 4.9 - Temporary Work for Laid Off Employees

Interested employees who are placed upon the re-employment list due to layoff and who elect to be available for temporary work shall be given preference for such work in their former department/agency in the classification from which they were laid off. The election to be available for temporary work must be made at the time of layoff. Employees may decline to be available for temporary work or may decline such work itself without affecting any rights under this article.

Section 4.10 - Names Dropped from Re-employment List

- a) No name shall be carried on a re-employment list for a period longer than two (2) years, and the names of persons re-employed in a permanent position within the same classification shall, upon re-employment, be dropped from the list. Refusal to accept the one of two offers of re-employment within the same classification shall cause the name of the person to be dropped from the re-employment list.
- b) Employees who are laid off from part-time positions shall be offered full time employment. Employees who are laid off from full-time positions shall be offered part-time positions. However, employee's refusal to accept an offer with more or fewer hours than the position they left, will not be counted as a refusal of an offer of employment under Section 4.10 a).

Section 4.11 - Rights Restored

Upon re-employment of an employee from a re-employment list, all rights acquired by an employee prior to his/her placement on such list shall be restored.

Section 4.12 - Unclassified Appointment to Classified Position

No officer or employee, while holding a position in the unclassified service, shall be assigned to or occupy any classified position.

Section 4.13 - Rights Upon Promotion or Transfer to Unclassified Service

Any permanent employee who receives a provisional or probationary promotion, or who is transferred or promoted to a position in the unclassified service shall retain all rights and benefits as a permanent employee of his former class while in such provisional, probationary or unclassified status. These include the right to participate in promotional examinations, the right to return to his former class if released while in such status. All such service shall count toward seniority credits in the employee's former class in the event the layoff procedure is involved.

Any permanent employee who receives a provisional promotion, or who is transferred or promoted to a position in the unclassified service the duration of which is known to be for less than six (6) months, shall be considered to be on

leave from his permanent position, and departments are authorized to make substitute appointments to such vacated positions.

ARTICLE 5 - PAY PRACTICES

Section 5.1 - Salaries

- a) Employees in all classifications in this unit shall continue to pay the employee's required periodic Social Security (OASDI and Hospital Insurance) contribution (if any) for the term of this agreement.

In cases where it is difficult to secure qualified personnel or a person of unusual qualifications is engaged, the Director, with the approval of the Deputy County Executive, may approve appointment at the second through fifth step. If a worker is hired under the difficult-to-secure qualified-personnel clause, the County will move those workers within that same class to the same salary step as that being received by the new worker.

Step 2

The second step shall be paid after the accumulation of six (6) months of competent service at the first step.

Step 3

The third step shall be paid after the accumulation of twelve (12) months of competent service at the second step.

Step 4

The fourth step shall be paid after the accumulation of twelve (12) months of competent service at the third step.

Step 5

The fifth step shall be paid after the accumulation of twelve (12) months of competent service at the fourth step.

Step 6

The sixth step is set at 5% above Step 5 after accumulation of 36 months at the fifth step.

Step 7

The seventh step is set at 5% above Step 6 after accumulation of 36 months at the sixth step, or 72 months of competent service at the fifth step, or at

least after 10 years of service with the County according to Days of Accrued Service as reported on the employee’s paycheck; ex. 261 days=1 year.

Step 8

The eighth step is set at 2.5% above Step 7 after 4 years at Step 7, or at least after 15 years of service with the County according to Days of Accrued Service as reported on the employee’s paycheck; ex. 261 days=1 year.

Step 9

The ninth step is established and set at 2.5% above Step 8, after 5 years at Step 8, or at least after 20 years of service with the County according to Days of Accrued Service as reported on the employee’s paycheck; ex. 261 days=1 year.

- g) Effective September 18, 2023, Pay Period 23/20, all salaries shall be increased by three percent (3.0%) and shall be listed in the appendices attached hereto and made a part hereof.

Section 5.2 - Work Out of Classification

When an employee is temporarily assigned work out of classification in a supervisory position designated by the Labor Relations Division within the same representation unit represented by the Union, or is assigned to perform all the duties of the Administrative Director, the Assistant Administrative Director, or the Chief Public Health Laboratory whose assigned functions are to supervise in his/her absence, the employee will receive a pay differential consistent with the promotional pay procedure as set forth in Section A25-661 of the Santa Clara County Ordinance Code commencing on the first (1st) such working day such assignments must be for a full eight (8) hour shift.

Section 5.3 - Lateral Transfers

- a) When making a lateral transfer or demotion to another class, an application review by the Personnel Director shall be deemed an appropriate qualifying examination for employees in instances where a qualifying examination is required. If otherwise qualified under this provision and the only prohibition to lateral transfer is the salary of the new class, it shall be deemed to be a lateral transfer if the move from one classification to another does not exceed ten percent (10%) upward range movement.
- b) Santa Clara Health and Hospital System shall post notices regarding transfer opportunities at all hospitals on the bulletin boards for a period of seven (7) consecutive days. This will facilitate transfer of permanent employees within their current job classification before outside applicants are considered. Upon approval by the appointing authority, the transfer of permanent employees will be made when an applicant is hired and trained to replace the transferring employee.
- c) Permanent vacancies the County intends to fill within the same classification shall be filled by seniority (days of accrued service) provided the senior employee is equal to all other interested employees in terms of merit and ability and is able to perform the duties of the position with minimal orientation.
- d) The County may do external postings during the seven (7) day period but may not fill the positions with external candidates until the process in Section 5.3.b is completed or there are no internal candidates to select from.

Section 5.4 - Overtime Work

- a) Overtime Defined - Employees Covered by the Fair Labor Standards Act (FLSA)

For hospital workers, overtime is defined as time worked beyond eighty (80) hours in any fourteen (14) consecutive day work period, or beyond eight (8) hours in any workday. Time for which pay is received but not worked such

as vacation, sick leave, and authorized compensatory time off, will be counted towards the base period.

If the Fair Labor Standards Act is determined by the U.S. Supreme Court or legislation to not apply to state and local government (a) will be deleted and (b) shall apply to all classifications.

b) Overtime Defined - Employees Exempt from the FLSA

For hospital employees, overtime is defined as time worked beyond eighty (80) hours on a biweekly pay period, or beyond eight (8) hours in any workday except as mutually agreed upon between the County and the Union. Time for which pay is received but not worked such as vacation, sick leave, and authorized compensatory time off, will be counted towards the base period.

The County Executive shall determine by administrative order those classes and positions which shall be eligible for overtime work and for cash payment.

c) Rate of Pay

When overtime work is assigned and is authorized by an appointing authority to be worked, compensation for such time worked shall be time off with pay computed at the rate of one and one-half (1 1/2) hours off for every hour of overtime worked, except that such overtime work shall be paid in cash at the rate of one and one-half (1 1/2) times the regular hourly rate of pay, for workers where required by State or Federal law or when specifically authorized by administrative order of the County Executive. The overtime rate shall increase from one and one-half (1-1/2) hours for each hour worked to two (2) hours for each hour worked after the first four (4) hours of overtime contiguous to the employee's regular shift of a minimum of eight hours. Thereafter, this increased overtime rate shall be paid for each additional hour of continuous overtime work. All compensatory time off must be taken within twelve (12) months of the date the overtime was worked, and failure to take the compensatory time off shall be deemed a waiver of the compensatory time by the employee. In the event the appointing authority does not provide compensatory time off during the mandatory time period, the employee may take compensatory time off as a matter of right immediately before the end of the pay period in which the compensatory time would be lost except as modified below for the Public Health Department. Compensatory time balances shall be paid in cash on separation.

d) Compensation of Overtime Other Than Holiday Pay:

The Public Health Department shall pay employees in this Unit in cash for only the amount of earned compensatory time that will otherwise be forfeited in a given pay period under the following conditions:

1. The employee has been notified of the impending forfeiture, and
2. The employee has made a reasonable attempt to schedule time off prior to forfeiture date.

e) Overtime Compensation Procedure for Santa Clara Health and Hospital System.

Pathology Division

1. For those classes authorized by the County Executive, the employee will be given the option of taking overtime compensation as either pay or time off at the rate of one and one-half (1 1/2) times regular rate for time worked over eight (8) hours in a twenty-four (24) hour period or eighty (80) hours in a two (2) week pay period. The overtime rate shall increase from one and one-half (1 1/2) times for each hour worked to double time (2x) for each hour worked after the first four (4) hours of overtime contiguous to the employee's regular shift of a minimum of eight hours. Thereafter, this increased overtime rate shall be paid for each additional hour of continuous overtime worked.

2. There will be a limit of forty-eight (48) hours of compensatory time that can be accumulated after which pay will automatically be given. The compensatory time will accumulate on the pay statement along with vacation, etc., and will be in a separate column from personal leave. The compensatory time will remain available for one (1) year from the date it was entered. If it has not been used in one (1) year, it will automatically be lost. Advance permission must be requested from the supervisor in charge prior to taking this time off. Every effort possible will be made to allow employees to take their earned compensatory time off.

3. Each individual will be required to indicate on the time sheet for each pay period whether they want pay or compensatory time by a "P" or "CT" in the row that they sign in on. If no indication is made, then pay will be given.

Section 5.5 - Automatic Check Deposit

All employees not currently enrolled in direct deposit will be required to enroll six (6) months from the effective date of this Agreement. All new employees will be required to use automatic deposit as a condition of employment.

ARTICLE 6 - PREMIUM PAY

Section 6.1 - Hazard Duty Pay

A premium for Hazard Duty of ninety-five cents (\$.95) per hour shall be paid to coded employees who are assigned to draw blood within the Inpatient Psychiatric Unit of Valley Medical Center. Pay will be made for only the hours assigned and worked in the Inpatient Psychiatric Unit. This payment shall be made irrespective of classification, pay level, overtime status, holiday work or other wage variations.

An employee must work a minimum of thirty (30) consecutive minutes per entry into the Inpatient Psychiatric Unit prior to being eligible for Hazard Duty premium. Coded classifications shall receive an additional full hourly premium for time worked of more than six (6) minutes in any hour after the first hour of work. The Hazard Duty premium shall not be allowed in computing payments at the time of termination.

Section 6.2 - Shift Differentials
