

ESC Local 20 PG&E Member Bulletin: April 2, 2020  
**\* Online Voting now Open for Contract Extension \***

Dear ESC members at PG&E,

The online voting to ratify the contract extension is now active. You should have received an election “access key” sent to your PG&E email address this morning (unless you requested to use another email address). Look for an email from [invitations@mail.electionbuddy.com](mailto:invitations@mail.electionbuddy.com) - we confirmed that this email address has been authorized by the PG&E IT department.

If you did not receive an access key, please contact Daniel O’Connell at [doconnell@ifpte20.org](mailto:doconnell@ifpte20.org). Our vendor ElectionBuddy can supply secure replacement access keys which ensure that each member only votes once.

Voting will be open until 5pm on Thursday, April 9.

As a last reminder, to review the text of the extension agreement or download a copy of our slide presentation, go to our website [www.ifpte20.org/pgc](http://www.ifpte20.org/pgc). The PG&E Unit Executive Board of ESC unanimously recommends a YES vote on the agreement. We hope all members will participate and help secure these critical benefits for our future.

In Solidarity,

John Mader, ESC President  
Joel Foster, ESC Secretary-Treasurer  
Karen Sawislak, ESC Executive Director  
Joshua Sperry, ESC Senior Union Representative
