Local 20-PAMF Bargaining Team Nominations

Dear All ESC Represented RNs,

I am writing to you to let you know about some changes in the bargaining committee. As you may recall, Sutter limited the bargaining committee to 2 seats in order to limit the impact on patient care. At the time, Rosa and Margaret received the most nominations to serve on the committee. However, Rosa is no longer working at Sutter, so we must now start a new nominations process to find a replacement for her.

Please send your nominations, either for yourself or for someone else, to: Adolfo Riedel at ariedel@ifpte20.org. The nomination window will close on Friday, September 16, 2020, at 5 PM.

The Oncology Nurse Navigators and Practice Nurses have expressed a desire to have an RN from that group present at bargaining and are recommending Juliette Sanchez. She is off on Wednesdays, allowing her to participate in addition to the 2 other seats on the bargaining committee.

Please keep in mind that any of you are welcome to be an observer for any bargaining session. Email or text me and I will provide you with the call-in number. You can also track our progress in reaching Tentative Agreements (TAs) on [our website](#). We have 7 TAs so far and we are close to reaching an agreement on at least two more. Upon reaching a full agreement, you will receive a copy of all the TAs, and we will hold meetings to discuss the agreements with you all before members vote on the full contract.

Thanks for your support,

Adolfo Riedel
